Key Strengths

- **Problem-Solving:** Good analytical skills with the ability to identify challenges and implement effective solutions.
- **Adaptability:** Quick learner who thrives in dynamic environments.
- **Time Management:** Skilled at prioritizing tasks to meet deadlines without compromising quality.
- **Communication:** Good verbal and written communication skills for engaging with stakeholders and team members effectively.

Work Experience

I worked as a Technical Support engineer at VA Talks Services Private Limited from 25th Aug, 2022 to 28th Feb, 2023.

Where I mainly worked on HTML, CSS & WordPress technologies and sometimes as Customer support associate. Also, performed day to day work on Microsoft Excel and Word.
